

More about **Peter Berry, CAE**
ReedScott Affiliate Consultant

Peter was the CSO of the International League Against Epilepsy (ILAE) from 1997 to 2012, a federation of 108 Chapters in six regions throughout the world. The League has an annual operating budget of approximately \$4M with total assets of \$14M. ILAE has over 40 commissions that work to achieve the goals set forth in the organization's strategic plan.

Serving as National Account Manager with Experient, a Maritz Travel Company, Peter also supports associations and corporations in the areas of strategic meeting and conference planning. He earned the Certified Association Executive (CAE) credential in 1985.
